

Plinko Mod Ideas

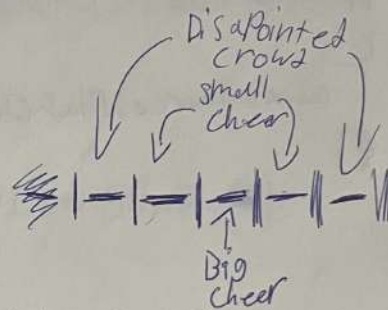

Visual:

- Themed looks
 - Kingdom Hearts
 - Christmas

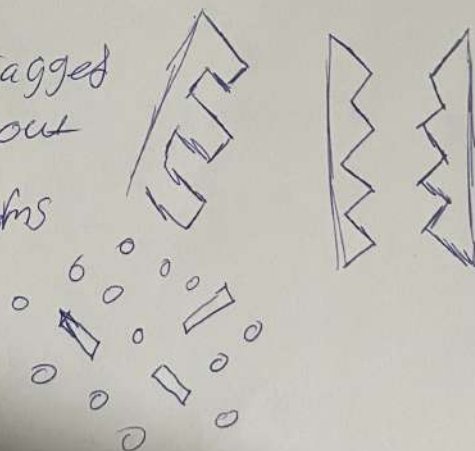

Audio:

- Sound when you hit a pin
- Sound of each type of bucket?

Gameplay:

- Walls are Jagged and/or Jutting out
- Slanted platforms as pins also

Play Audio on Collision

Public class MonoBehaviour

Public AudioSource audioSource;

Public AudioClip audioClip;

Private void OnCollisionEnter(Collision collision)

{
audioSource.PlayOneShot(audioClip);
}

What ever that first line is called I can't remember

OnTriggerEnter2D(Collider2D collider)
